

Solésence Reschedules Second Quarter 2026 Conference Call to August 19

August 10, 2026

ROMEDEVILLE, Ill., Aug. 10, 2026 (GLOBE NEWSWIRE) -- Solésence, Inc. (Nasdaq: SLSN), a leader in scientifically-driven health care solutions across beauty and life science categories, today announced that the Company has rescheduled its second quarter 2026 conference call and webcast. The additional time will allow the Company to complete its quarterly financial reporting and review process. The conference call and webcast will occur on Wednesday, August 19, 2026, at 5:00 p.m. ET.

Second Quarter 2026 Conference Call Details

Date/Time: Wednesday, August 19, 2026 – 4:00 p.m. CT, 5:00 p.m. ET

Speakers: Kevin Cureton, President & Chief Executive Officer and Laura Riffner, Chief Financial Officer

Webcast Link: <https://edge.media-server.com/mmc/p/ecgoveo8/>

Dial-In Link: <https://register-conf.media-server.com/register/Blb4a184933a544641a8f41396efd90a13>

To receive the dial-in number, as well as your personalized PIN, you must register at the above link. Once registered, you will also have the option to have the system dial-out to you once the conference call begins. If you forget your PIN prior to the conference call, you can simply re-register.

The call may also be accessed through the Company's investor relations website, at <https://ir.solesence.com/>. Please join the conference call at least five minutes before the start time.

About Solésence, Inc.

Solésence, Inc. (Nasdaq: SLSN) is a leader in scientifically-driven health care solutions across beauty and life science categories. With a mission to deliver joy through innovation, inclusivity and the science of beautiful skin, we have redefined mineral-based sun protection by maximizing transparency, effectiveness, aesthetics, and wearability — empowering individuals to embrace beauty on their own terms. Combining best-in-class skin health solutions with the celebration of self-care, we allow brands to deliver unique product claims and attributes by seamlessly integrating protection, prevention, and treatment technologies into daily use products.
